## **AEU Victoria**

AEU Victoria is the Victorian branch of the Australian Education Union — the federal union for teachers, principals, education support staff and all educators working in government schools and government-funded early childhood, TAFE and adult education. The AEU is the union for those who work in Day Services, Business Services officers, Employment officers, Program Managers and CEOs who work in the disability sector in Victoria.

With nearly 50,000 members, the AEU campaigns for education professionals, for **public education** and for social justice.

AEU Victoria caters for the personal, professional and industrial needs of its members. We work with members to improve

# The Education Show

conditions of employment and to advance professional interests.  
We promote the value of the work of our members within society.
